Event Exposure

Pictured: Attendees at our 2024 Appreciation Barbeque hosted at the Bakers Centre in Yellowknife.

The Foundation's Appreciation Barbecue and Community Showcase brings together student award recipients, grant recipients, donors, and community supporters for a meaningful day of connection and celebration in Yellowknife. It's a prime networking opportunity that celebrates our community.

From 2010 to 2020, our Annual Gala was a highlight of the year, drawing strong community support and providing sponsors with incredible visibility. With a history of hosting successful and truly enjoyable events that bring together hundreds of people, we continue to create experiences that celebrate community, generosity, and entertainment.

Champion and Premier sponsors will have the opportunity to present at our Appreciation Barbecue and Community Showcase in the summer. Friend, Champion, and Premier sponsors will have your logos displayed on a sponsor board at this event, which is expected to be seen by over 300 people.

Calendar

All sponsor levels have the opportunity to be featured in our annual calendar. Premier and Champion sponsors will have prominent logo placement on a specific month, along with a quote and contact information, while all sponsor levels will have logo placements on the sponsor page of the calendar.

The Yellowknife Community Foundation will be selling the 2025/2026 18-month calendar for \$25 to residents, visitors, and tourists in Yellowknife, both in-person at local shops and online. The calendar will showcase Yellowknife.

For many years, the Foundation published calendars as a way to share our annual report, offering the calendars for free to donors and community partners. With our established history of publishing calendars, we anticipate that our strong branding will help drive sales.

On-the-land activities //
The Northwest Territories is rich with unique outdoor activities. AVENS, an organization that provides long-term, dementia, and independent housing solutions for seniors, takes advantage of the outdoors by bringing residents out for cultural days including dog sledding, fish net pulling, and enjoying a meal from the land. These activities are made possible by funding through the Albert Hall Seniors Enhancement Fund.
